lenti

PLEASE JOIN US AS WE WORSHIP OUR SAVIOR THIS LENTEN SEASON

The 1st and 2nd Grade classroom has been having a wonderful few weeks...lots of snow piled up to make a dandy ice slide outside, celebrating Valentine's day, and getting ready for our play! We will be reviving the old favorite, "The Little Red Hen." The 1st Grade is learning how to read and make charts and graphs in math while the 2nd Grade is completing a chapter on telling time. All of the children have been learning about adjectives in language arts. Both grades have also studied a bit about fossils, so we hope to visit a museum in the next few weeks and learn more about the amazing things found in the dirt of South Dakota.

We always enjoy visitors, so if you have a few extra minutes, stop in!
