OUR EXPECTATIONS FOR STUDENTS

An important part of every child's faith life is his participation in Sunday and festival worship services. We ask that parents realize their responsibility in this regard and attend church regularly with their children. Occasionally, the children will participate in St. Paul's Lutheran's worship service as a children's choir. All children will be asked to attend church on the day their choir sings. Parents should excuse to the teacher in advance. We ask that all parents be willing to support the efforts and activities of the school and support the continuing spiritual growth of their children and themselves by setting an example in church interest and attendance. All children are also encouraged to attend Sunday School regularly. The Lutheran Elementary School and Sunday School are coordinated to work together for the child's spiritual growth.

OUR EXPECTATIONS FOR PARENTS

It seems natural that all parents would be interested in the course of education their children will follow in school. We feel this is especially true in the area of religion since parents are responsible for the spiritual training of their children. St. Paul's Lutheran has as its main objective to assist parents in this their God given responsibility. Because we want parents to be acquainted with the Bible teachings taught to the children in our school, we expect all who are not members of a Wisconsin Synod Lutheran Church to attend the Bible Information Class conducted by the Pastor. There is no obligation to become a member of St. Paul's Lutheran Church once the course is completed.

POLICY OF NON-DISCRIMINATION

St. Paul's Lutheran School admits students of any race, color, national, and ethnic origin to all the rights and, privileges, programs and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national or ethnic origin in the administration of its educational policies, admission policies, and athletic or other school administered programs.

2009-2010 Education Fee

An education fee of \$495 is required of all students. The purpose of the tuition fee is to provide for educational material and other costs for school operation. To assist parents in paying educational fees, this fee may be paid in 9 equal payments via Electronic Funds Transfer (EFT) or it may be paid in full prior to the start of school. The first EFT payment will be made in August.

A minimum of \$30 will be due at registration time. The remainder of the \$495 education fee may be paid in two ways.

- Pay the entire education fee at orientation.
- Pay \$30 or more at registration and pay the remainder via electric funds transfer over 9 monthly payments beginning in August.

(Families who are not members of St. Paul's Lutheran Church will also be required to make tuition payments of \$2,400 via EFT)

If you are unable to pay the education fee in this manner, other arrangements must be made with the tuition committee.
